PLEASE NOTE THE FOLLOWING MODIFICATION IN THE "INCOMPLETE" GRADE: The Faculty of the School of Theology has voted to modify the statement in the student handbook regarding "incompletes" to read as follows: "Each Faculty member decides whether work not finished at the end of a quarter warrants an "incomplete" grade for the course or simply a reduction of grade. "Incomplete" work must be made up no later than FOUR WEEKS AFTER THE CONCLUSION OF THE QUARTER as fixed by the catalog calendar. The "Incomplete" is then changed to a grade one level below the grade that would normally have been given. Failure to complete the work within this time limit automatically earns an "F" for the course. WW

TUESDAY, NOVEMBER 20, a film entitled, "THE GOSPEL ROAD" will be presented in the Lecture Hall, at 7:30 p.m. It's a Jesus film produced by Johnny Cash that includes his music as well as additional selections by Kris Kristofferson, John Denver and Joe South. The film received laudatory reviews in both Time and Newsweek. As of yet, the film hasn't been shown in commercial theaters, so we have a rare opportunity to preview a major film release. Refreshments will be served. The film is being provided by Mel White and his class, Theology Through Film. DT.

DICK AND DENA GREEN, our Fuller Missionary Interns with Scripture Union in Ghana have written recently. Here are excerpts from their letter: "We are getting along well. We thank God for the work He has already done here. We have felt very well received by the Christians here. Although we have had some minor difficulties adjusting, their love and concern has made it all very enjoyable. As we thought before we came to Ghana, we are probably learning much more than we are giving, especially at this point.

We are now living in Takoradi in a new government low housing project. There are about 30 homes on this estate, only 2 or 3 of which are now occupied, so we are one of the pioneers. But very soon all the rest of the homes will be filled and there will be lots of people around.

One problem that we have, which I offer as a prayer request, is the need for transportation. As yet we have not been provided with a car. Members of the Takoradi Committee have been driving us around but our movement is very limited. The work will be greatly inhibited if we are unable to visit the schools freely and as often as necessary. By the way, there are 17 schools in the area which we will be working with. Some are fairly close to us, but others are quite a distance away (50-100 miles).

The work is beginning slowly. We have been warned that before too long there will be more than we can handle. Although we have needed some time to get settled, I am anxious to get into the work. Things can get a bit boring especially without a car. But we trust that God has a purpose in all this. I have had much time to study which has been good, and we have met with a number of schools in the immediate area. Tomorrow I am speaking at Seko College in Takoradi.

We have been well physically except for 2 days of stomach problems. We enjoy the food very much, and had fufu our first night here. Greet the Seminary for us. More later. In Christ, Dick and Dena."
